

Print this document in A4 format, borderless, at 100% scale. You can place a standard-sized credit/debit card against the outline on the paper to ensure that you have it printed correctly.

1. Check the print scale according to the outline of the card
2. Fold the corner of the page
3. Place the paper against the wall
4. Measure your foot
5. Add an excess of 0.5 - 1.2 cm to the measured size
6. Choose your size
